2 BUSINESS TO BE TRANSACTED AT THE AGM

Details of the resolutions which are to be proposed at the AGM are set out below.

Ordinary resolution 1: Annual Report 2022

The business of the AGM will begin with a resolution to lay before members the Annual Report in respect of the 12 month period ending 31 December 2022 (the "Annual Report").

Ordinary resolutions 2 and 3: Re-appointment of auditors and authority to determine remuneration

Shareholders will be asked to confirm the reappointment of RSM UK Audit LLP as the Company's auditors to hold office until the conclusion of the next annual general meeting and to grant authority to the directors to determine the auditors' remuneration.

Ordinary resolution 4: Grant of authority to the Directors to allot Ordinary Shares

This resolution deals with the directors' authority to allot Relevant Securities (as defined in the notes to this resolution) in accordance with section 551 of the Companies Act 2006 (the "Act"). This resolution will, if passed, authorise the directors to allot:

- a in relation to a pre-emptive rights issue only, equity securities (as defined by section 560 of the Act) up to a maximum nominal amount of £4,012,791, which represents approximately two thirds of the Company's issued Ordinary Shares as at 30 May 2023. This maximum is reduced by the nominal amount of any Relevant Securities allotted under paragraph 4.b below;
- b. in any other case, Relevant Securities up to a maximum nominal amount of £2,006,396, which represents approximately one third of the Company's issued Ordinary Shares as at 30 May 2023. This maximum is reduced by the nominal amount of any equity securities allotted under paragraph 4.a in excess of £2,006,396.

Therefore, the maximum nominal amount of Relevant Securities (including equity securities) which may be allotted under this resolution is £4,012,791.

As at close of business on 30 May 2023, the Company did not hold any treasury shares.

This authority replaces a similar authority passed at the Company's last annual general meeting held on 28 June 2022 and will expire on the date which is 18 months after the date on which the resolution is passed or, if earlier, the date of the next annual general meeting of the Company.

The directors currently intend only to make use of this authority: (i) in connection with the grant of any options to the directors of the Company and employees of the Company's group; and (ii) as may be necessary to manage the Company's capital resources.

Relevant Securities means:

- Shares in the Company other than shares allotted pursuant to:
 - an employee share scheme (as defined by section 1166 of the Act);*
 - a right to subscribe for shares in the Company where the grant of the right itself constituted a Relevant Security; or*
 - a right to convert securities into shares in the Company where the grant of the right itself constituted a Relevant Security.*
- Any right to subscribe for or to convert any security into shares in the Company other than rights to subscribe for or convert any security into shares allotted pursuant to an employee share scheme (as defined by section 1166 of the Act). References to the allotment of Relevant Securities in the resolution include the grant of such rights.

Where the aggregate usage by the Company of the authority granted by this resolution exceeds one third of the nominal value of the Company's issued Ordinary Shares (excluding treasury shares) as at 30 May 2023 and also, in the case of issuance being in whole or part by way of a fully pre-emptive rights issue, monetary proceeds exceed one third (or such lesser relevant proportion) of the pre-issue market capitalisation, all directors wishing to remain in office will stand for re-election at the next annual general meeting of the Company following the decision to make the issue in question.

Special resolution 5: Disapplication of statutory pre-emption rights on allotment of shares

If the directors wish to allot unissued shares or other equity securities for cash or sell any shares which the Company may hold in treasury following a purchase of its own shares, the Act requires that such shares or other equity securities are offered first to existing shareholders in proportion to their existing holdings.

This resolution will, if passed, give the directors power, pursuant to the authority to allot equity securities (as defined by section 560 of the Act) or sell treasury shares for cash without first offering them to existing shareholders in proportion to their existing holdings up to a maximum nominal amount of £601,919, which represents approximately 10 per cent. of the Company's issued Ordinary Shares (excluding treasury shares) as at 30 May 2023.

The proposed resolution also disapplies the statutory pre-emption provisions in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those securities or as the directors otherwise consider necessary, and allows the directors, in the case of any such offer, to make arrangements in

relation to fractional entitlements or other legal or practical problems which might arise.

The total number of Ordinary Shares in issue as at 30 May 2023 is 601,918,699. The Company does not currently hold any treasury shares. This authority replaces a similar authority passed on 28 June 2022 and the power granted by this resolution will expire on the date which is 18 months after the date on which this resolution is passed or, if earlier, the date of the next annual general meeting of the Company.

The directors have no immediate plans to make use of this authority other than in those circumstances which are referred to in the explanation relating to Resolution 5.

Special resolution 6: Purchases of own shares by the Company

Resolution 6 to be proposed at the AGM seeks authority from holders of Ordinary Shares of the Company to make market purchases of Ordinary Shares, such authority being limited to the purchase of 10 per cent. of the Ordinary Shares in issue as at 30 May 2023. The maximum price payable for the purchase by the Company of Ordinary Shares will be limited to an amount equal to 105 per cent. of the average market value of an ordinary share for the five business days prior to the day the purchase is made. The minimum price payable by the Company for the purchase of Ordinary Shares will be 1p per Ordinary Share (being the amount equal to the nominal value of an Ordinary Share). The authority to purchase Ordinary Shares will only be exercised if the directors consider that it is in the best interests of the Company and the Shareholders as a whole. The Company may either cancel any Ordinary Shares which it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them). If the Company were to purchase any Ordinary Shares pursuant to this authority it would consider holding them as treasury shares. This would enable the Company to re-issue treasury shares quickly and cost-effectively and would provide the Company with additional flexibility in the management of its capital base.

Options to subscribe for up to 47,777,092 Ordinary Shares have been granted and are outstanding as at 30 May 2023 representing approximately 7.93% of the issued ordinary share capital of the Company at that date. If the directors were to exercise in full the power for which they are seeking authority under resolution 6, the options and warrants outstanding as at 30 May 2023 would represent approximately 7.93% of the ordinary share capital of the Company in issue following such exercise.

4 RECOMMENDATION

The directors consider that all of the resolutions to be proposed at the AGM are in the best interests of the Company and its shareholders as a whole and unanimously recommend that shareholders vote in favour of all of the resolutions, as the directors intend to do in respect of their own beneficial holdings.

Yours faithfully,

Daniel Betts

Interim Chairman and CEO
